

Food Right

Snack Foods List

Sending one of these or a combination of items is a more nutritious way to fuel students than providing highly processed options.

Our Mission

Empower youth to choose foods that sustain life-long health.

Scan for more of FoodRight's student-approved, easy recipes

- Fruit: apples, bananas, grapes, cuties
- Ants on Log: celery with cream cheese or sunflower butter & raisins
- Whole or baby carrots, other raw veggies like broccoli, sugar snap peas, cauliflower
- Triscuits or other whole wheat/grain crackers
- Send hummus, guacamole, cream cheese spread to go along with whole grain crackers, whole grain tortilla chips or veggies
- Homemade snack mix with pretzels, Chex rice cereal, raisins/other dried fruit
- Popcorn - you can pop it yourself (Scan QR code for FoodRight's awesome popcorn recipes) or use a store-bought air-popped option like "SkinnyPop"
- Fruit cups - choose options canned in their own juices
- Applesauce or applesauce/veggie blends
- String cheese
